Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 22 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry in east with some sunshine, damp in west later.

Today:
Dry and bright for much of the day for the east with good spells of sunshine. Cloud and light rain reaching the Western Isles by late morning reaching West Highland later. Strengthening southwesterly winds in the afternoon too. Maximum temperature 18 deg C (64 deg F).

Tonight:
Patchy rain spreading to most areas and cloudy everywhere, rain becoming heavier for a time especially for Skye and Lochaber, winds easing by dawn. Minimum temperature 6 deg C (43 deg F).

Wednesday:
Cloudy with outbreaks of rain and drizzle on Wednesday, winds quite light too so it will be a bit dreich. Some drier and brighter spells for Caithness and Easter Ross. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
Cloudy with outbreaks of rain on Thursday, heavy for a time but brighter later. Cool northerly on Friday with some showers, drier and warmer on Saturday.
